PATROLS

Highland Park, Brookland Park, Providence Park and
Highland Terrace, VCU

We continue to focus more on the North Highland Park area in the second quarter of the year but we are now turning our focus to the VCU areas because of the problems they're having in that area and the requests we've had to come to the area. Our Head of Patrols, Tom "TNT" Kirkland will set the schedule for those VCU patrols.

Highland Park continues to have a nice reduction in crime. The year to date reduction is approximately 24%. I contribute that to a cooperative effort with the Richmond Guardian Angels, Richmond Police Department and our community members. .

JUNIOR GUARDIAN ANGELS

The future of our communities is truly built upon the training, guidance, and security of our youth. Neglected, abused, bullied, or corrupted, our youth only turn to violence and brutality to solve their problems. There is no question that the structure of our economy and society has provided youth with less stability and fewer role models, guides, parenting, and adult supervision. The Guardian Angels youth program helps to provide the needed structure, guidance, training and other prevalent skills to succeed in today's society.

Thrift Store, or maybe coming out to worship at Fresh Anointing Cathedral or 5th Street Baptist Church. Don't forget to stop and do your banking at the Bank of America after you finish paying your bills at the S&K across the Street. And if you need to pick up dinner for the kids, make sure you stop at New York Fried Chicken or the Chicken Box. And don't worry about running out of gas because you can just gas up at the BP on the corner. So again, when they ask you what you're going to do next, tell them you're going to HIGHLAND PARK!

EDITORIAL

THE NEW HIGHLAND PARK is what we're calling this amazing transformation. Richmond Police Department, Richmond Guardian Angels, Highland Park Quality of Life Team, Highland Park Neighborhood Watch, Councilwoman Ellen Robertson and the community coming together to create magic. For the past 10 weeks, Sector 411, which Highland Park is a large part of, has been number 1 in crime reduction and number 1 for the quarter.

A main player in this transformation is Lt. Lewis Mills in the 4th Precinct. Lt. Mills transferred from a Sergeant in the 3rd Precinct to Lt. of Sector 411 approximately 6 months ago. Right away he started working with us to get a feel of the area and formulate his plan to help bring down the crime. Lt. Mills is a hands on guy. He meets with the community leaders, community members and the business community face to face on a constant basis. He has already become a trusted partner and leader to this community.

Some of the events you can expect this year in Highland Park are: Highland Park Spring Break, Taking it to the Streets with the NOC, NRRC Prayer Chain for Change, Time to Live Breast Cancer Awareness Walk sponsored by the Richmond Guardian Angels, Community National Night Out, Boaz & Ruth Diamond Talent Contest, We Care Festival hosted by 5th Street Baptist Church, HP Christmas Crawl coordinated by the HP Quality of Life, and more.

So when someone asks you what are you going to do next, tell them you're going to visit HIGHLAND PARK! Tell them you're going to have lunch at the Firehouse Restaurant, or you're going to shop at Sunny Days

NEIGHBORHOOD WATCH

We have now crossed the 250 mark in number of members in the Highland Park Neighborhood Watch. That was a goal we had for the first quarter of 2013.

Our Highland Park NW meetings are normally held on the first Wednesday of the month in combination with Councilwomen Ellen Robertson's Community meetings, however, due to other events we had with the community, we substituted those events for our community meetings for the past few months. This month we have the Highland Park Spring Break event which will substitute the meeting.

"The Law of A Few - 20% of the people do 80% of the work." We need 20% of Highland Parkers to come together and stand up for a better community. With 20% of us working together we can accomplish all the goals we talk about in our community meetings - from reducing crime to building more respectful youth.

NATIONAL NIGHT OUT

The big Spring Break and Prayer Chain for Change will be held on June 13th. Come out and join us.

Will Rollins will DJ the event as he did on National Night Out. Moore Street Care will be catering the food, Parks & Rec has ordered two bounceys for the kids, Master Yi will hold the Taekwondo Demonstration and Kimberly Reese is heading up the Zumba, Hope Elliot will do face painting and we have go-carts for the kids. There will be 7 raffle drawings throughout the day for gift cards. The police chief, Council Person Robertson, and other city officials will be stopping by. A fire truck will be present for the kids to explore. And to top it all off, the weather is supposed to be PERFECT.

Spring Break will start at 1:00PM, Saturday, April 13th, in the Ann Hardy Park. But first join us in Ann Hardy Park at 11:00AM for the "Unity in the Community - **Prayer Chain for Change**" as we form a human chain to ask God to Bless our event, our families, schools, churches, government, economy, armed forces, businesses, police department, and more.

The next newsletter will include pictures from this event.

We will be joined by our **Baltimore Chapter** and I hope all of you will join us too.

Guardian Angels Changed me.

I started off in life as a good but bad person. I did some things that I can now regret. I helped many different people out. But soon things took a very bad turn. I soon realized that I need to change my life style. I was talking to my friend one day about the Guardian Angels. He told me that it was a good organization to join. So I thought about joining. I joined to change my outlook on life. As I got deeper in the Guardian Angels, I learned and studied different important things. I told myself that it's not always about me, it's about helping other people. I realized that the Guardian Angels main focus is youth and the community.

DARE TO CARE

Please join us in our 2nd Annual “Time to Live” Breast Cancer Awareness Walk. The “Time to Live” Breast Cancer Awareness Walk is not a 5-10 mile walk to raise money for Breast Cancer, this is a door-to-door, face-to-face walk to dissimilate breast health information, such as how to do self-exams, where to get free testing if you are uninsured, and to urge people to get mammograms when the time is due. We are there to inform people of the importance of early detection to help them chose hope over fear.

The date of the walk is Saturday, June 8, 2013, from 9AM-12:00PM. The following churches are hubs for this walk:

The “Time to Live” Breast Cancer Awareness walk is brought to you by: The Richmond & Baltimore Guardian Angels, Saving Our Youth Virginia, VCU/Massey Cancer Center, Susan G. Komen for the Cure, VA Cancer Foundation, Bon Secours, Cross Over Ministry, the Virginia Department of Health, and Capital Area Health Network

Our church hubs are: Bethlehem Baptist Church, 1920 Fairmount Avenue, 31st Street Baptist Church, 823 N. 31st Street, Ebenezer Baptist Church, 216 West Leigh Street, Fresh Anointing Cathedral, 3001 Second Avenue, Second Baptist Church, 3300 Broad Rock Blvd. Good Shepherd Baptist Church, 1200 N. 28th Street, Holy Rosary Catholic Church, 3300 R.
